

# Single Compliance and Integration Platform to Manage all Education Apps

Class Roster Sync

Education Compliance

One-Click Single Sign-On

Subscription Management

## A Single Solution To All Your Integration Problems

- Single sign-on to securely log in to educational apps.
- Analytics and compliance with TinCan reporting so digital content can be accessed on any device.
- Effortless syncing of rosters via seamless integration with LMS and rostering tools.
- Manage subscriptions and apps from a single place.
- Meets compliance standards including FERPA, COPPA, GDPR, WCAG 2.0 and more.
