Single Compliance and Integration Platform to Manage all Education Apps

- Class Roster Sync
- Education Compliance
- One-Click Single Sign-On
- Subscription Management

Ease Key Integrations with MagicSync™

- Single sign-on for teachers and students to securely log in to educational apps.
- Effortless syncing of rosters via seamless integration with LMS and rostering tools like Google Classroom, Clever, OneRoster, ClassLink, LTI, and more.
- Meets compliance standards including FERPA, COPPA, GDPR, WCAG 2.0 and more.
- Offers analytics and compliance with TinCan reporting and ensures that digital content uploaded can be accessed on any device.
- Manage subscriptions and apps from a single place.
